

3-12-2020

Good Afternoon Parents/Guardians,

Honorable Youth, Inc. continues to closely monitor COVID-19 (Coronavirus) development. As of today, two cases of the COVID-19 have been confirmed in Forsyth County. Both cases were traced back to travel.

The safety of our youth and families are our first priority. All workshops and Two-Generations program sessions will be canceled until further notice. In the meantime, we are in the process of creating an online platform to host virtual meetings and workshops that will be accessible via computer, cell phone, or tablet. We will be in contact with additional information soon.

Throughout this difficult time, we are working to create a comprehensive plan for our organization and we appreciate your patience and understanding.

Warmest Regards,

Rasheeda Shankle
Executive Director
